Body

All of our body treatments include natural elements for the earth combined with healing water elements that will replenish and restore the mind body and spirit. Each treatment begins with a scrub to exfoliate the body and ends with nourishing enriched body butter.

Signature Nèe Scrub

Experience a gentle exfoliating infusion of mineral salts and our tribal scents with warm wet towel compressions. Finish with a rich body whip cream massage restoring your spirit.

* Tribal scents were traditionally used by the Quapaw Tribe. They are derived from blooms that mature only for a short time in the Summer.

80 minutes...\$135

Signature Red Clay Wrap

Starting with our Nèe Scrub, this Red Clay Wrap will help detox and replenish lost nutrients leaving the skin cleansed and replenished.

80 minutes...\$150

Nèe Spa Specialties

The Nèe Spa Family presents to you unique services that represent Downstream's cultural heritage, letting you escape into a true healing JourNèe.

To'h-wah nom-bèh

Begin your JourNèe with an aroma infused dry sauna escape, starting the transformation of your day. Then, two of our specially trained Therapists will begin the service by using instinctive and sacred massage similar to Lomi Techniques using their forearms in a free flowing wave like motion. Top this service off with the full experience by adding our Healing River Stones and our Cedar Scrub. This is a journey for the seasonal spa goers that would like to truly escape into a blissful state.

2 Therapist...120 minutes...\$275

Spiritual Healing

A client favorite that we introduce during the month of July in honor of the Quapaw Pow Wow. Allow the stress to melt away as your Therapist drops oils down your spine then using light feathering massage techniques, your pores will open and absorb the oils anointing your body and beginning the healing experience. This treatment is then followed by a gentle mineral infused hot towel compressions and relaxing massage.

80 minutes...\$150

JourNèe Foot Treatment

The feet are your foundation in your life. Allow our staff to replenish your foundation with the ultimate in foot spa treatments. Using an aroma scrub that gently exfoliates your feet and legs, we will use our Healing River Stone Massage to help your foundation feel restored and replenished. This treatment does not include nail work but can be added on for \$20.

50 minute treatment...\$65

Please inform your Therapist of any health conditions or concerns.

Massage

Massage allows the body to relax and aids in natural healing functions. Each massage incorporates aromatherapy depending on the client's needs and choice. Please inform your Therapist of any health conditions or concerns. Customize any massage by making it a Couples Service for two. Also, we have Tandem Massage meaning two Therapists working in unison on one client to promote the ultimate in relaxation at your request and upon availability.

Waxing

Our wax treatment technicians take the utmost care to protect the health and elasticity of the skin. The wax is applied warm and removed leaving the skin absolutely smooth. For best results, hair should be $\frac{1}{4}$ inch and allow 28 days between each waxing service. This will ensure maximum results without irritation.
